CENTER FOR SCHOOL IMPROVEMENT & POLICY STUDIES

SUMMER ACADEMY

GRADES 2-6
Moving and Thinking
Students engage in a fun, active learning curriculum, led by certified classroom teachers and college students, and featuring games and activities for learning math, physical education, arts, and sciences.

GRADES 7-9
Bicycle Adventure
Students embark on daily bicycle adventures that lead to exploring the great outdoors (swimming, hiking, & canoeing), learning about local business (indoor recreation, restaurants, & stores), and developing life skills (teamwork, friendship, goal setting, & character). Students come ready to ride every day with their bicycle, helmet, and bike lock.

JUNE 11 - JULY 12
