Boise State Summer Academy is an affordable, convenient, high-quality, full-time academic/adventure day-camp for students entering grades 2-9. This program is facilitated by the Center for School Improvement & Policy Studies, in the Boise State College of Education. Since its first year in 1985, Summer Academy has provided fun-filled and challenging opportunities for local youth.

**Elementary Academy (Grades 2-6)**
A theme-based program provides academic enrichment of the basic elementary school curriculum. Students work together through a hands-on approach to activities, such as: arts & crafts, learning a new language, swim lessons, trips to the public library, computer instruction, and physical fitness. Maximum enrollment is 65 students.

**Middle-Level Adventure Program (Grades 7-9)**
Students ride their bicycles every day for transportation to activities such as Geo-caching, hiking, swimming, indoor rock climbing, and bowling. Field trips include an overnight camping trip to Lake Cascade and the PAL Raft-Along. A bicycle, helmet, and bike lock are required. Maximum enrollment is 35 students.

**Tuition**
**Elementary Academy (Grades 2-6)**
Tuition is $750 for the Monday-Friday five-week session; this equates to $30 per day.

**Middle-Level Academy (Grades 7-9)**
Tuition is $750 for the Monday-Thursday five-week session.

A discount of $35 is given for siblings.

* Early enrollment for returning Summer Academy participants and the children of Boise State faculty, staff, and full time students begins March 19, 2012 at 8:00am.
